**DTV TEST SPECIAL PROGRAM**  
**To Air On WLUK-TV, Green Bay**  
**February 12, 2009**

On February 12<sup>th</sup>, the Green Bay Television Market will conduct a DTV Readiness test. It includes a live DTV Test to allow “over the air viewers” to see if they are ready for the DTV switch in June. A Call Center was set up at the WBAY-TV auditorium, with volunteers available to answer questions about how to receive future broadcasts in high definition. A summary of how to convert to receiving the broadcast from WLUK in High Definition will be available through the NAB. Interviews with WLUK General Manager Jay Zollar and WLUK Engineering staff will help answer questions from viewers. Program airs 6:00pm-6:30pm on WLUK FOX 11.

Station Management determined to extend the deadline to switch from broadcasting in both HD and Analog to only HDTV on June 12, 2009, following President Obama’s recommendation.

RE: **USS Green Bay Half-Hour Special Program**

The "USS Green Bay", half-hour special program, aired on WLUK-TV, Green Bay, on Friday night, February 13, 2009 at 9:30 pm, and again on Saturday, February 22, 2009 at 4:30pm. Reporter Mark Leland and Photojournalist Todd Berry spent 4 days in Los Angeles to prepare the reports for this special program.

The main stories we put together included a complete Tour of the USS Green Bay, interviews and descriptions of personalization of the ship. One of the premium segments showed the Commissioning Ceremony of the USS Green Bay, giving the Mission of the ship as well as interviews of Local Marines remembered and honorary plaques on board. The Lombardi School Students attending the ceremony watched as sailors partnered with the Green Bay group of Partners in Education.

## **WLUK-TV PROGRAMS/ISSUES REPORT QUARTER 1, 2009**

### **FOX NEWS ALERT - Tuesday, February 17, 2009, 2:05pm-2:26pm.**

From the White House, Washington DC – Chris Wallace previewed expected remarks by President-Elect Barack Obama.

President Obama spoke about the economic situation today, and urged everyone to pass the Economic Stimulus Bill to help Americans.

He said the Bill includes funding for education, environmental health aimed at energy independence. He said we must stem the spread of foreclosures. This won't be easy but it is essential. The \$787 billion Stimulus Bill will be the largest ever passed in the history of the U.S. He maintains it will create 3-million jobs within the next two to three years.
